NOZBE TEAMS

The fastest way to done in a team.

Nozbe Teams is a universal and practical to-do app for teams.

It's been designed to help small teams communicate effectively in order to complete tasks and projects even quicker. Nozbe Teams comes with all the features needed to help users get organized and stay focused on getting stuff done. Our mission is to teach people task-based communication through our e-mail-free and bias-free method in order to help companies succeed.

"Nozbe Teams has helped to simplify my business."

– Dorothy Whalen

KEY FACTS

♦ Nozbe Teams is a product by Nozbe. The company was established in 2007 and has been functioning and growing ever since without an office – we all work remotely.

♦ Nozbe team is constantly working on improving the app. More than 700,000 people from all over the world and across all industries trust the Nozbe apps to get things done.

♦ Our customers are mostly small teams of 3-30, just like our own team – we know how to help them do great things.

♦ Unlike other project management apps, Nozbe Teams has been designed considering mobile use first, so users have full control over their team's projects and tasks right from their iPhone or Android device.

♦ It's accessible to different people from all over the world – Nozbe Teams is to be translated in additional languages in the future

♦ 91% of the teams using our app say Nozbe Teams helps them collaborate better.

♦ Nozbe founder and CEO Michael Sliwinski is an entrepreneur, productivity expert and #nooffice and #TaskBased-Communication evangelist.
