

# NOZBE TEAMS

The fastest way to done in a team.

**Nozbe Teams** is a universal and practical to-do app for teams.

It's been designed to help small teams communicate effectively in order to complete tasks and projects even quicker. Nozbe comes with all the features needed to help users get organized and stay focused on getting stuff done. Our mission is to teach people task-based communication through our e-mail-free and bias-free method in order to help companies succeed.

*"Nozbe Teams has helped to simplify my business."*  
– Dorothy Whalen

## KEY FACTS

- **Nozbe Teams** is a product by **Nozbe**. The company was established in 2007 and has been functioning and growing ever since without an office – we all work remotely.
- Nozbe Teams is currently **in Open Beta phase**, which means that not all features are available yet – we are continuing to test and improve the app's functionality.
- Our customers are mostly **small teams of 5-30**, just like our own team – we know how to help them do great things.
- Nozbe Teams is the fruit of our labor – it is the **product of the 12-year experience** our company gained running a GTD®-based task and project management app, an app that we wanted to adapt to better serve the needs of all teams.
- Unlike other project management apps, Nozbe Teams has been designed considering **mobile use first**, so users have full control over their team's projects and tasks right from their iPhone or Android device.
- It's accessible to different people from all over the world – Nozbe Teams is soon to be **translated in 10 additional languages**.
- **91% of the teams** using our app say Nozbe Teams helps them collaborate better.
- Nozbe founder and CEO **Michael Sliwinski** is an entrepreneur, productivity expert and **#nooffice** and **#TaskBased-Communication evangelist**.
